

CMC meeting 26th July 2022

Concourse to be held on 14 August at SMSP has some 35 entries. Event to go ahead RAIN, HAIL or SHINE

No bags will be handed out at the entry gate, but you will receive a voucher. Once you have settled in take the voucher to garage 1/ 2 to receive your bag with the medallion. Please wear a mask in the garages due to large numbers.

CMC this year so far has received 145 thousand facebook hits.

Now 1721 vehicles on CVS registered with CMC.

Next year will be 60th anniversary of CMC. First meeting was held on 1st March 1967

Victoria and South Australia are on 25years question has been asked if we should be on 25 years other States are looking into it

CMC are in discussion with TfNS in use of new forms on changes relating HVS/CVs of vehicles. This will also include new vehicles that must be sighted and signed by Club Registrar. If a vehicle has a 20% increase in power. If it is it must be places on the CVS scheme. Engineer Certified. If it is passed onto a new owner, the new owner must be advised of such

Recommend Pink Slip for all new HSV registrations.

TfNSW will sometime in the future issue new plates for CVS vehicles, size will be 314 x134 high vis, smaller than existing.

Four clubs were voted on at meeting, oldest being 117 years, youngest 1 month.

Visitors are asked to visit the Historic venue to see ARDC 70, CMC 60 years old display free tickets.

CMC asked that a club member act as a marshal on 14th to assist members into the respective areas. Gate opens at 7-00am.

Concern as to the future of Fossil Fuels. TfNSW have said no problem for older cars. No guarantee from the Feds as of 2035 Canberra No Fossil Fuel will be available.

Porsche recently raced a vehicle using Grain Fuel which was not advertised, and it was a success.

Porsche is looking into creating a Grain Fuel plant in Tasmania.

AHMC Club is in area C on drift circuit. Concrete surface. 1-00pm is circuit drive be on time or miss out.
